## Conformity certificate for factory production control

### Declaration by SKG-IKOB (Notified Body 0957)

In accordance with Regulation (EU) No 305/2011 of the European Parliament and the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products

### PREFABRICATED REINFORCED COMPONENTS OF AUTOCLAVED AERATED CONCRETE

marketed under the name or trade name of the certificate holder and manufactured by the certificate holder or for the certificate holder at the production location(s) that may be mentioned above.

This certificate declares that all instructions relating to the assessment and verification of the constancy of performance as described in Annex ZA of the standard

### EN 12602: 2008+A1:2013

are applied on the basis of system 2+ and that the factory production control has been assessed for conformity with the relevant requirements.

This certificate was initially issued on 17-05-2016 and remains valid until the date stated above provided the harmonised standard, the construction products, the AVCP level and/or the production conditions at the production location have not changed significantly, unless this certificate is suspended or withdrawn by the designated product certification body.

For SKG-IKOB
