REVESTIMIENTO VERTICAL

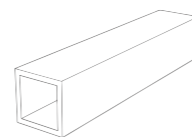

Vertical coating

La familia Tarimatec® crece con la aparición de VERTICAL; cinco perfiles nuevos y diferentes para dar solución en cualquier acabado vertical: desde fachadas a vallas, pasando por celosías o mamparas visuales. VERTICAL invita a nuestros clientes a buscar nuevas y diferentes aplicaciones.

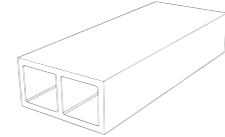

The Tarimatec® family grows with the creation of VERTICAL; five new and different profiles to give a solution in any vertical finish: from cladding to fences, useful for blinds or visual screens. VERTICAL shows our clients to look for new and different applications.
